1. It's all coming to an end as you know it. You know it. I know it and now the world knows it, for all as it was is no more, making place for that which was and more, I love you. Created of Me, to be like Me, to do the things I like to do; create, create, create. I created the worlds with the breath of My mouth speaking words of beauty, and trust not, but power, power, power and authority which you now have, by the word of My mouth in you, your mouth mine. See what I've said, authority given; demanded not, commanded not; but given to Me of My Father, given to you of your Father; our Father one, Fathering one blood, one royal line, you are. Thank you. You are raising My royal ones to recognize My royalty given to Me of My Father and I placed in them, each and every single one. I love you.
2. Think it not strange those who will fight this message of My all given to My all, inheritance in light and no darkness. Darkness prevents light not for light is more powerful, all powerful, present where I say, coming forth in/with the word of My mouth, your mouth.
3. See what I have said, declared, proclaimed this day: **My proclamation of Me in Me and that I returned in fullness to ignite the fullness already in Me long ago; 2,000 years and more. More, more given than has ever been grasped.** Grapple not. Synthesize My word and eat and be filled and never thirst/hunger again. For My word fills and satisfies and satiety brings; reaffirms, refreshens and oasis is; directly clarifying, compelling, clarifying and reforming that which is not-Me, from Me in Me. Oh see what I've said. Rejoice evermore and evidence, inheritance receive.
4. Gloat not but blow the trumpet on My holy mountain and stampede not, but surrender, surrender, surrender to My faithfulness, the word of My flesh made flesh by My word; My word, body and blood you are; being now My body, word and blood to each other as I designed. Yearned, to eat this Passover with you. Amen.
5. Think it not strange the soup kitchens which come forth in My name to feed the hungry, disengaged, disenfranchised, discouraged, who fought for mammon so faithfully, thinking they were doing the right thing the right way, to help Me and principles fulfill by their own doing/making. I love you. Stilling (1) for My voice not, but running and activating ever more activity which robbed them from Me/My table, My quarters, My intimacy, My revelation mainlined into their veins. I love you. Cataclysmic the shocks which now reverberate in worlds known and unknown. I love you.
6. See to it that you obey My word and commands not, but love compels to love, to love each other (2) as I have loved you: agape, agape, agape. Not morosely or hesitantly but enthusiastically exuberanced by exudings of Me; My flowers not, My flesh and blood

in flesh and blood, My body given/dying for each other; spiritually, truly, actually. My body and blood given for you, to you, for Me, for My body, to come through My body to My body. See what I have said. No one exempt. **Begin young at My altars of mercy, grace and glory and let, allow, encourage, facilitate, enable My toddlers to communion give and receive**. I love you. Maturity comes to My body forthwith; generations forthcoming that raised from the grave are. I love you.

7. Think it not strange; and mature My body to work in fields not mine for the day is short and the night ends all. I love you. Gallonage of only Me; yes, truly. I give you My words, word, work, through me that is already worked (3) and sync'd in My presence. I love you. The Kingdom of Heaven coming in violence but violence not fearing; walking across, receiving coals (4) of only Me, My choosing only. I love you. I give you all of Me and those now to remnant revive into gloriousness for My glory not, My Father, we are one. See, see, see who you are and who I am and shocked not be at the shock it brings so many.

8. Into Me flow. My formulas come. My engineering given; all lambs in My fold mature and **think it not strange to write/be Me in My Father's house; we are one. John 17** forever. Thank you. Take it upon yourself to proclaim never. I am Me. Rest in Me. You are I Am. I Am-ing My I Am generation who flow to My throne in numbers numberless to receive, be, and eat together; one accord, tongues of fire being, death having come through unscathed, scarred with only My scars, bearing precious seed, bringing their sheaves with them, My trophies at My feet. Watch Me unfurl My banner, My names revealed in foreheads many, not all. I love you.

9. Think it not strange for all normal and natural in your life now changes and becomes Me in magnitude of surrender **yielded to My lordship not; your inheritance eaten, broken for you, you in light and light being now, piercing all darkness and confidence and surrendered significance of only Me, creating delivery systems of sustainability; forever not, forever plus more and longer.**

Thank you for writing this. Thank you.

10. All changes so suddenly. I thank you.

Tender, thank you.

Tender with all, thank you.

Tender with those who will hate you, thank you.

Tender with those who will call you names, envy you, stone you, want to.

Tender with My altogether tender not, and tender still.

Meek one, tendering only My tender to tender be; Me for them. What an exchange.

11. Thank you for at My feet you lay and arise to arise the arisables who meekness lie in poverty not, but the wealth of My Father unlimited; never even thinking to misuse, misappropriate, or lift their head above Mine. **All equal in My Father's house.** Watch Me. I proclaim it this day. I dust it off. Proclaimed before. Proclaimed again. I love you. **The proclamation of My love for all and command to be tender with each other**; seeing My name coming to their forehead, who choose Me, My inheritance given, the promise

promised from the foundation of the world, given to My Father, Me. All Me. All Me.
Thank you. Amen. I desire My house: a loving station; divisive not, seeing how they can remedy nation-breaking, by speaking/receiving/being Me to each other; My blood shed with/in/for each one to shed Me to every heart; no color, all color; no tribe, all tribes; no persuasion, all persuasions.

12. See what I have disdained not, but desired in language unmistakable. Love Me, love Me more. I kiss you, My holder of Me, dispensing My words faithfully; no cost, costs: all. I am all. I am you. Thank you for revisions not making in My words to you. I love you. I give you Me, speedily. So delightfully. So freely, concretely, visual and visible, altogether Me.

13. The day cometh when no one will work. Watch. Pray.

Mighty Many, I love you, My commands only. Thank you.
My wheat, My chaff, separated, eternally. Thank you.
All cost already paid; receive, receive, receive. Thank you.
Amen.
